and Veggies, Hobbyist, Miniature Painter, Former Mascot for the
Shreveport Captains

Shreveport, Louisiana, United States

Summary

Highly motivated professional with 30+ years of diverse experience across business, customer service, skilled trades, and technology. Driven by a passion for continuous learning and growth, I excel at building strong relationships and achieving both team and individual goals.

My background spans roles in marketing, merchandising, carpentry, home remodeling, and even earned me recognition as one of the "Top 10 Comic Retail Persons in America" (Los Angeles Times, 2009-2010). I'm also a dedicated trivia enthusiast, with my team "The Ultimate Champs" consistently securing top honors in local and regional competitions.

My commitment to technological advancement led me to pursue a cybersecurity career. I earned an Associate's degree in Cybersecurity in 2024 from Bossier Parish Community College and am currently enrolled in a SysAdmin DevOps program, aiming for a Bachelor's degree in DevSecOps within the next two years.

This diverse skillset and unwavering dedication make me a valuable asset to any team seeking a driven and adaptable individual with a proven track record of success.
